The Court does not extend Defendants' time to respond to the Amended Complaint, without prejudice to filing a proper request. Under the Court's Individual Civil Rule 3.B, requests for adjournments, extensions of time, and extensions of word lengths in memoranda shall be made by letter, and not by stipulation. Requests for adjournments or extensions of time shall be filed on ECF as letter-motions. The Rule further provides that, absent compelling circumstances, a request for an extension or adjournment must be made at least 48 hours (i.e. two business days) prior to the scheduled appearance or deadline. Should Defendants request an extension of time to answer the Amended Complaint, they must make an application that complies with Rule 3.B.
